King of kings He's the Lord of lords The Son of Man The Son of God

Made the blind man see
And he raised the dead
Teaching and forgiving with authority

3. And he let himself
Be killed on a cross

The Holy One of God
And scorning death
He rose again to reign above as Lord

Guitar Playing Notes

On guitar this song is played in C (capo 2). As this song is the same progression the way through, it is necessary to use dynamics to keep the song interesting (eg. quiet picking verses with louder strumming choruses). To play simpler the chords D G A D (C F G C with capo) can be used.
